MUR # 5535

Dear Sir

I am writing to register a complaint regarding what I feel to be noncompliance with Federal campaigning laws. The sign in question is on the side of a semi trailer and is located so that the east bound traffic on I-70 at the Missouri River Bridge in St. Charles, Missouri can see it. The sign covering the entire trailer states the following. "Veterans For Bush- Paid For By Veterans."

I believe that this is an infraction on the Federal Elections laws as a nonconnected committee can not use the name of a candidate in their own name. They have clearly committed this infraction.
